# About TOP PACK

## Who We Are

TOP PACK is a Saudi operational company specialized in smart mobility, valet parking, and event support — delivering premium experiences for hotels, malls, residential compounds, government venues, and large-scale events across the Kingdom.

### MOBILITY & VALET SOLUTIONS

Powered by an experienced operations team, certified processes, and a technology-first mindset, we turn complex mobility challenges into seamless, measurable services.

## Vision

To be the leading mobility & valet operator in the Gulf region — recognized for premium service quality, operational excellence, and smart technology integration.

## Mission

Deliver world-class mobility, valet, and event-support services through trained teams, smart systems, and data-driven operations that exceed client expectations every day.

COMPANY PROFILE / 2026

POWERED BY JADARAT GROUP

# Our Services

<b>Valet Parking</b>	Premium valet services with trained attendants, uniform standards, insurance coverage, and digital ticketing.
<b>Parking Management</b>	Full operation & management of parking facilities — access control, traffic flow optimization, and revenue management.
<b>Shuttle Bus Operations</b>	Reliable shuttle fleets connecting venues, parking lots, and event sites — fully tracked and supervised.
<b>Golf Cart Operations</b>	Electric golf cart fleets for resorts, compounds, and large venues — with drivers and maintenance support.
<b>VIP Mobility</b>	Dedicated transport for VIPs, dignitaries, and special guests — luxury vehicles and professional chauffeurs.
<b>Event Operations Support</b>	End-to-end operational support for mega events: planning, staffing, traffic, parking, and guest mobility.

# Sectors We Serve

● Hotels & Hospitality	● Shopping Malls
● Residential Compounds	● Healthcare Facilities
● Government & Embassies	● Mega Events & Conferences
● Sports Venues & Stadiums	● Resorts & Entertainment

## Why Choose Us

**ISO Certified** — operations aligned with ISO 9001 & 45001 international standards.

**24/7 Operations** — round-the-clock command center and on-site teams.

**Trained Workforce** — 500+ staff trained in hospitality, safety, and customer service.

**Technology First** — digital ticketing, fleet tracking, live dashboards, and reporting.

**Scalable** — from boutique venues to mega events with thousands of vehicles.
